[Adding users to your license](#)

[Manage your license](#)

### More help:

[Autodesk Knowledge Network](#)

### Educational institutions only:

Educational licenses of current version deployed in schools include an order for a free maintenance plan. The Autodesk ID used to register and activate this license will be assigned the role of Contract Manager, and will be notified of the order and how to access these additional benefits, typically within three days after activation. If all Autodesk software for your educational institution is centrally managed, be sure to use the same Autodesk ID for the registration of all licenses for your educational institution.
