Autodesk Education Community

Hi Akash Sharma,

NOTICE: Starting December 31, 2027, new network and multi-seat licenses will no longer be offered. To ensure uninterrupted access, we strongly recommend choosing an Institution Subscription now.

Get your Educational Institution subscription today.

Licensee's product license information:

Product:	Revit
License Type:	Educational Multi-seat Stand-alone
Access Type:	Single-user
Authorized Usage:	Installation on up to 1250 devices. No network server required*
Product Key:	829O1
Serial Number:	575-09622097
Term:	1-year term
Licensee:	Vastu Kala Academy College Of Architecture

If you're not ready to move to an Educational Institution subscription, follow the steps to activate your license:

- Download your product
- Activate your license using the serial number and product key
- This date marks the start of your 1-year term.

*Autodesk account might display this license as 125 seats, where each seat can be activated on up to 10 devices. This product will only appear in Autodesk account after activation.

Educational institutions only: Educational licenses for current versions deployed in schools come with a free maintenance plan. The Autodesk ID used for registering and activating the license will be designated as the Contract Manager. If your educational institution manages all Autodesk software centrally, ensure that the same Autodesk ID is used for registering all licenses. Learn more.

For more help, visit the resource links below:

- Autodesk support
- Multi-seat standalone license deployment instructions
- Manage your license

Thank you,
Autodesk Education Team
